Your Astro-Forecast begins on the next page. If the time period for an interpretation is, for example, given as "July 1, 2023 (June 15, 2023 to July 15, 2023)", then it starts in mid-June, reaches greatest intensity around July 1, and ends in mid-July. The first date listed is the time when the influence has reached maximum strength; we can call this date the "peak date". The influence starts on the beginning date, gradually increases in strength until the peak date is reached, and then it gradually fades out until the ending date is reached.

An influence may last for as little as a week to as long as half a year or so. It is a good idea to look ahead in your Astro-Forecast Report for long-lasting influences, as you otherwise may not realize that it is in effect until you are already several months into the time period of the influence. Some people underline the dates of long-lasting influences with a colored pen to draw attention to them.

You may also notice that the same interpretation shows up periodically during the year; this is not unusual. In some cases the beginning and ending dates of the 2 influences are the same; the only difference between the 2 interpretations is the peak date. This means that this particular influence has two peak dates instead of one. It is even possible for there to be three or more peak dates for the same astrological influence. To eliminate redundant interpretations, you may be informed that the astrological influence also occurred earlier and that you should refer back to the previous occurrence of this interpretation.

You may be wondering what the funny abbreviations after the dates are. For example, you may see "Sat Conj Plu", "Ura Trine Nep", etc. These abbreviations are given for the benefit of astrologers and they show the astrological factor that is in effect.

We hope you enjoy your Astro-Forecast.

For the benefit of astrologers, some technical details are given below.

*Dec 18, 2022 (Nov 27, 2022 to Dec 28, 2022) Jup Sqr Jup*

A great eagerness to expand, to go beyond your current situation, to enlarge your life, and to have, do, or be MORE comes over you during this period. You are noticing where you have limited yourself and sensing much greater possibilities. The gambler in you may come to the fore; you want to take your chances, to try your luck. If you are usually excessively cautious, prudent, and constricted, this can be just what you need to open up, to dream bigger, and to allow yourself a larger life. But "too much of a good thing" also characterizes this time, so avoid overdoing it.

Financial and business activities may surge now, and you are thus inclined to expand and invest. However, your hopes and expectations may be somewhat greater than is warranted. Temper your optimism with common sense.

### Positive Potentials:

Increased confidence, generosity, and openness to large possibilities. Enthusiasm, growth, expansion, positive expectation. Fortunate developments and promotions in the professional or business world. Intellectual growth, learning, travel, meeting people with vastly different cultural, religious, or philosophical attitudes who broaden your experience and understanding.

### Negative Potentials:

Conflicts in legal, financial, professional, or philosophical realms. Exaggerated claims and promises. Sloppiness, over-optimism, taking on or promising more than you can actually accomplish.

### Remedies and Suggestions:

Look around and see where you can step out and satisfy your urge for a greater sense of freedom. Look at the areas of yourself or your life that have been neglected or undeveloped (your spirit, your relationships, your work and goals, your physical body) and begin to address the imbalance.

Bring humor and tolerance to situations that involve differing opinions or philosophical conflicts. Carefully evaluate any business or investment "opportunity" that comes your way now, and check out your motives. If you're trying to get something for nothing, this can be disastrous.

*Dec 20, 2022 (Dec 4, 2022 to Dec 30, 2022) Jup Trine Mars*

During this positive cycle, you marry your vision, hope, and inspiration to your action, and you can initiate or create something wonderful. Your confidence and willingness to take risks in order to improve your life are heightened. This is an excellent time to begin a new enterprise, and the birthing process goes smoothly and easily. You are also likely to compete quite successfully in any arena where you decide to put your efforts.

If you are involved in any sort of legal dispute, now is the time to try to resolve it. If you can manage to do so, the outcome is likely to please you. You may fare much better than you expect.

Positive Potentials:

Fortunate and effective action. New enterprise flourish. Positive self-assertiveness and initiative. A sense of fair play and principles infuses competitive activities, gaining you respect and popularity. Health and energy level are at a peak.

Negative Potentials:

There is very little down side to this particular cycle.

Remedies and Suggestions:

Now's the time to do what you've been dreaming of. Say Yes!

*Feb 7, 2023 (Feb 1, 2023 to Feb 12, 2023) Jup Sqr Asc*

A restless urge to expand your world comes over you now, and you have a tendency to be over-eager, overconfident, or to expect too much too soon. You don't respond well to restrictions, and may feel like blowing off "insignificant" duties or arrogantly ignoring important preparatory steps. Your vision may exceed your capabilities at the moment.

If you have been settling for much too little, not taking any life-enhancing risks, or shortchanging yourself on a regular basis, you may become quite aware of that now. For instance, you may begin to envy people who are doing, being, or enjoying something that you feel is out of your range. Take that as a cue, not to emulate them necessarily, but that you need and want to expand your own life in some way. Allow yourself to hope and dream, and to formulate real steps you can take to feel better about yourself and the life you are creating.

Beware of overextending yourself now. Generous impulses and an unwillingness to say no can lead to overdoing.

### Positive Potentials:

Greater openness to possibilities and willingness to reach out to have, do, and be more. A strong urge to improve and better yourself and/or situations you are involved in. Seeing the big picture more clearly. Expanding your contacts and social world, good fortune through others.

### Negative Potentials:

Overlooking important details.

### Remedies and Suggestions:

This is a time you feel like gambling a little, and you tend to rely on luck and timing. This can lead to positive outcome, or simply be fun and educational, as long as you don't risk or invest anything you can't afford to lose.

Beware of sloppiness in your dealings with others.

*Mar 15, 2023 (Mar 11, 2023 to Mar 19, 2023) Jup Oppos Plu*

Hidden agendas, secret ambitions or activities, and untapped talents and gifts are brought to the fore during this time. Issues of power and influence - both worldly and spiritual - come into play. You may come up against some organized forces of a corporate, political, legal, or social nature that oppose you and/or your ambitions. There may be a clash of beliefs, methods, or goals. On the other hand you could come into prominence and a wider sphere of recognition and influence, especially if you have been wholeheartedly pursuing a dream or working to make improvements in your life and others' lives.

On a personal level, there can be enormous growth, healing, and improvement of a difficult situation in your inner or personal life. Methods that involve deep process, tapping the healing force within, and working to make the unconscious more consciously available can be very fruitful now.

### Positive Potentials:

Becoming a leader or working with leadership to improve conditions. Bringing deep aspirations out into the open. Far exceeding expectations, enormous success. Working with faith, wisdom, and higher values or principles succeeds grandly.

### Negative Potentials:

Fanaticism, one-sided or self-righteous views. Tendencies toward self-aggrandizement increase.

### Remedies and Suggestions:

Be willing to compromise, share the power, and become bigger - in your attitudes, your inclusiveness, and your influence in the world. Be open to grace.

*Mar 16, 2023 (Mar 12, 2023 to Mar 20, 2023) Jup Qucnx Ura*

It would be easy for you to jump the gun right now. You experience erratic bursts of exuberance or the urge to make progressive changes that are not really in sync with the people around you. You may be introduced to a concept or an expansive opportunity that can play a positive role in your future, and if your enthusiasm inspires you to act now, results will be mixed - some quite successful, others a flop.

You also are in an expansive phase in any group, organization, or collective of which you are apart. Unexpected growth leads to challenges.

Positive Potentials:

Openness to new ideas, visions, philosophies, and techniques.

Negative Potentials:

Overly optimistic assessment of new techniques or opportunities. Exuberant foolishness can lead to a fall.

Remedies and Suggestions:

Allow futuristic plans to develop and ripen, drawing inspiration from them now without jumping right in.

*Mar 28, 2023 (Mar 23, 2023 to Apr 1, 2023) Jup Trine Nep*

An undercurrent or mood of ease, relaxation, and contentment enables you to LET good things happen now. You feel supported and encouraged in your spiritual life or creative endeavors, and generally positive about the future.

If you are usually driven, ambitious, impatient, or anxious about what you are doing, this easygoing time will be a decided relief. It's an excellent time to plan and/or take a vacation, especially to somewhere you've never been or have long wished to explore. But you needn't go far to enjoy this period, because you see the good wherever you are, too.

Philosophy, mystical writings, or other teachings which expand your mind and your world view interest you now. In general, you are less narrowly focused, less concrete-minded or dominated by practical concerns, more willing to dream, imagine, speculate, and dance with the intangible side of life.

Humanitarian impulses or religious concerns are featured now as well.

Positive Potentials:

Openness to assistance from the spiritual side of life, and willingness to offer help to others generously and unselfishly. Expanded and uplifted consciousness.

Negative Potentials:

Tendencies toward passivity or allowing things to take their course when action or effort is required are magnified, but this is only likely to be problematic if you lean

strongly in this direction to begin with. Gambling or relying exclusively on luck.

#### Remedies and Suggestions:

Beware of over-idealizing any teacher or teaching you come into contact with now. As long as you use common sense and discernment, not allowing yourself to be lulled into a completely receptive or passive state, everything is apt to be alright.

Stay grounded with plenty of physical exercise, preferably in the outdoors.

*Apr 6, 2023 (Apr 2, 2023 to Apr 10, 2023) Jup Conj Sun*

This is a period of expansion, flourishing growth, and increased creative power. You can also begin to sense prophetic glimpses into your future via intuition, dreams, or new ideas presented to you.

#### Positive Potentials:

An overall sense of well-being, contentment, and confidence. Gratitude for one's blessings, with the desire to share and give from a sense of abundance. Success, expansion, and a surge of growth in creative, professional, or business endeavors. Recognition accompanied by wider influence and opportunities. Financial and legal matters, commercial endeavors, etc. go well. A renewal of faith in oneself, life's goodness and possibilities, grace from above. Awareness of your connection to a longer pattern. A new vision for your life and what you want to create in the future. Broadening personal horizons and understanding through travels or increased education.

#### Negative Potentials:

Overextending oneself due to an overestimation of one's abilities and circumstances. Extravagance, wastefulness, self-indulgence. Greater tendencies toward arrogance, egotism, and an inflated sense of self-importance and entitlement. A profligate use of one's energies with little regard for the effects upon others.

#### Remedies and Suggestions:

Take definite action to follow up on the inspirations and concrete opportunities that you see at this time, but avoid relying too much on your luck, or betting the ranch on a very risky venture. Check details.

Initiate contact with people you admire and respect, such as leaders or masters in the area you are most interested in, and/or establish a relationship with a promising younger person you can help. Avoid being preachy, moralistic, or a know-it-all.

*Apr 13, 2023 (Apr 9, 2023 to Apr 17, 2023) Jup Conj Merc*

This is a significant "seeding" period in your life during which you begin to think in wider, more expansive, more unlimited terms. You see patterns more clearly, and how various individual pieces fit together to form a coherent whole. Because of this, the decisions you make now tend to be sound ones. You also begin to see how much more is available and possible, and to develop ideas or pictures about the future. You

are able to see an overview of your life and where you are headed instead of being mentally engaged with immediate concerns and details. You are more success-minded and optimistic as well, enabling you to attract more positive and fulfilling opportunities.

During this time you want to expand and learn; seminars, classes, or gatherings with people who share common interests and goals are indicated, as are long distance traveling and communications.

#### Positive Potentials:

Anything having to do with traveling, teaching, speaking, writing, communicating, or publishing is favored at this time. You may attract some information or teaching which enables you to expand your life significantly. Generally, you have a philosophical and humorous way of dealing with life now. Any legal matters you are involved in are apt to resolve positively.

#### Negative Potentials:

There are few negatives associated with this cycle, but you may be somewhat more restless intellectually or physically if you do not have enough outlets.

#### Remedies and Suggestions:

Write down any new thoughts or ideas which inspire you. Even if you don't act upon them immediately, they may be important later on.

*Apr 20, 2023 (Apr 16, 2023 to Apr 24, 2023) Jup Trine Sat*

This is a period of conscientious planning, industriousness, and constructive accomplishment. You can clearly see the big picture and the future of your work-in-progress, and thus are able to take care of the immediate practical steps to get you there. Your judgment is sound. This is an auspicious time for long-range financial planning and investments, or any strategy for lasting achievement, professional, educational, or otherwise. You are very aware of pacing yourself and of timing, which is fortunate during this cycle.

#### Positive Potentials:

Satisfaction and a sense of well-being by taking care of basic, practical concerns. Patience, incremental growth and improvements, appreciating the benefits of a carefully implemented plan. A happy balance between simplicity and expansive growth.

#### Negative Potentials:

There is very little of a negative nature implied here.

#### Remedies and Suggestions:

Take advantage of this period of equilibrium and clarity to secure your future as well as to create practical, positive solutions to any problems in your present.

*May 15, 2023 (May 11, 2023 to May 20, 2023) Jup Sxtil Jup*

Joint endeavors of all kinds are favored now. New friends, business connections, and opportunities to widen your social and professional circles are featured. Good will and positive connections that you shared approximately two years ago may come around again, and projects begun around that time also receive a boost.

You may be unusually busy now, swamped with interesting and desirable offers, both on a business and social level. Almost all of what comes your way can enrich you in some way, but you may not have time or energy for it all. Your judgment and instincts are sound now, so you are able to choose what will serve you best.

If there are areas of struggle or difficulty in your life, other people can aid you immensely during this period if you are willing to make the initial effort to reach out.

Positive Potentials:

Expansive opportunities through positive and helpful contacts.

Negative Potentials:

Very little negativity is a part of this scenario, other than letting it pass without either responding or taking the invitation.

Remedies and Suggestions:

Seize the opportunities that present themselves and follow up and follow through on the information, leads, and invitations which seem most positive. Think in terms of mutuality, reciprocity, inclusiveness, and sharing. If it has been difficult to ask for help, try to overcome that and open up to someone who offers assistance. Be a better friend or mentor to someone you see could use your influence.

*May 16, 2023 (May 12, 2023 to May 21, 2023) Jup Sqr Mars*

This is cycle of positive self-assertiveness, increased confidence and energy, and willingness to take on new challenges. Aspirations, ambitions, and the urge to expand into new territory are heightened. You are looking ahead, not behind you, and you want to act, not just wish or dream. As long as you have the necessary foundation of skills and wise planning, your actions are likely to be successful and lead to bigger things. However you may be tempted to bite off more than you can chew!

Positive Potentials:

Inspired and fortunate action. Acting on behalf of a broader concern for the well-being of others as well as oneself. A boost of energy for birthing new enterprises. Joyous, exuberant energy for work or play. Competing successfully, in a playful spirit.

Negative Potentials:

Taking on more activities than you can comfortably carry, promising more or expecting too much of yourself, overextending yourself and your energy resources. Friction with the law or other authorities because you believe you can get away with

anything right now.

#### Remedies and Suggestions:

Avoid arrogant, cocky, overconfident behavior, as this will arouse opposition to you and your plans. Channel any restless energy into vigorous play or work that you enjoy, but avoid foolish risk-taking, especially regarding physical activities or sports that you aren't conditioned for.

*June 19, 2023 (June 14, 2023 to June 25, 2023) Jup Sxtil Asc*

This is a period of positive social relationships and mutually beneficial contacts with friends, neighbors, and other members of your community. Feelings of trust and goodwill are generated, which can lead to stronger alliances, maybe even an opportunity to go into business or get involved with some group endeavor. You go out of your way to help where you can, and if you need assistance or feel stuck in some ongoing dilemma, help may come through a friend or friendly acquaintance. You may expand your social circle to include more people from different backgrounds, generations, races, or cultures, and this will prove quite beneficial all round. Take all generous offers, and extend some!

#### Positive Potentials:

Linking with people in a positive way, growing through interpersonal connections. A healthy attitude toward the world, attracting good fortune.

#### Negative Potentials:

None likely.

#### Remedies and Suggestions:

Get out of habitual routines that keep your world small. Partake of more community events and gatherings. If you show up, magic can happen.

*July 3, 2023 (June 27, 2023 to July 9, 2023) Jup Conj Ven*

Optimism and relaxation about the future, feelings of trust and well-being, and an overall sense of good will towards others prevails now. Emotionally and materially you will be more generous, and more open to giving and receiving. Gifts, treats, festivities, invitations, celebrations, pleasure, making people happy, sharing good fortune, or strong desires and impulses for all of the above will be part of the picture.

You need beauty and are more open to its uplifting and beneficial effects, also. What may seem to be a luxury or frivolous indulgence at other times may now seem a delightful "necessity".

All friendships and relationships of the heart are apt to be harmonious and fulfilling now as well, in part because of your open heart, generosity, tolerance, and good humor.

#### Positive Potentials:

This is predominantly a positive and fortunate period. You attract good things into your life rather easily. Relationships which have been estranged or difficult can move towards healing and reconciliation, especially if you make the first move.

#### Negative Potentials:

Any tendencies towards self-indulgence, excessive spending, and wastefulness will be exaggerated now. Dieting and budgeting are harder to do. Your carefree feelings may degenerate into carelessness, but only if that is your natural tendency to begin with.

#### Remedies and Suggestions:

Play, spend, share, and enjoy but stay within your means. Do some charitable or "random act of kindness". Love extravagantly! Express all of the appreciation, gratitude, admiration, and good feelings that you have been keeping to yourself - to as many people as possible.

Expect good things, including financial blessings, but do all of the foundational work as well.

*July 7, 2023 (July 1, 2023 to July 14, 2023) Jup Sxtil MC*

A promising opportunity, promotion, bonus, or positive recognition for your contributions is likely at this time. Your relationship to authorities, bosses, and "higher-ups" is quite good now and they are open to your requests and suggestions.

If you have been on shaky ground or experiencing uncomfortable circumstances at work, this is the time to make major improvements, either by making amends and building bridges or by finding a new position. In general, your outlook is hopeful and positive, which attracts the best possible options to you at this time. Increased prosperity, satisfaction, and well-being characterize this period, and it's an excellent time to make decisions and to go forward with plans. You see the larger view and sense the future direction that you wish to follow. Helpful new contacts come in now also.

#### Positive Potentials:

Broadening your education, sphere of activities, and/or connections. Public recognition, honors, benefactors. Seeing solutions and healing options to ongoing problems in some arena.

#### Negative Potentials:

None likely.

#### Remedies and Suggestions:

To gain the most from the positive potentials of this cycle, be PROACTIVE. Follow through on the ideas and expansive urges you have, reach out to people, and in general extend yourself and make yourself and your intentions known. A little bit of effort goes a long way now, and the world will meet you more than halfway.

*Aug 19, 2023 (Aug 5, 2023 to Oct 3, 2023) Jup Qucnx Plu*

You may be drawn to powerful, enriching ideas, individuals, or pathways, but find yourself somewhat at odds with them as well. Perhaps you discover the hidden agenda, secret workings, or the underside of a leader, teaching, or group endeavor, so that you must adjust your understanding or your relationship to them. Something must be clarified, resolved, or brought out into the open in an established system of which you are a part - professional, educational, social or religious. Strong ambitions may arise now, with mixed results.

Focusing on becoming broader, more inclusive, and working with what has been oppressed, neglected, or ruined in some way can lead to renewal and well-being.

Positive Potentials:

Working through faith, wisdom, higher principles and values brings healing and resolution. Healing and regeneration on a social as well as personal level.

Negative Potentials:

Fanatical or one-sided approach. Problems with government, leadership, or the law. Premature expansion or vying for a leadership position has mixed results.

Remedies and Suggestions:

Maintain integrity, and be willing to honestly acknowledge the "dark places" or dysfunction of a group, teaching, or social endeavor. Strive for balance and holism, rather than polarization, fanaticism, or a rigid idealism.

*Aug 24, 2023 (Aug 8, 2023 to Oct 1, 2023) Jup Oppos Ura*

The spirit of freedom, liberation, release, and expansion blows through your life now. Erratic twists and turns, sudden and unexpected opportunities, gifts from out of the blue, and synchronicities that align you with the larger order offer you an opening into a much different future. You may feel your ideals and dreams now have a possibility of being realized, or that whole new worlds you never knew existed are now available. You're also very restless and more impulsive. If you work in a scientific, technical, or social development field, there could be a big breakthrough.

Relationships that have been stifling and restrictive for you or for the other party are changing now as well, enabling both to experience more freedom. You could have an unexpected encounter or serendipitous meeting with someone who will be important in the times to come. Stay open, curious, loose, willing, and listen to the voice of intuition. Overall, your spontaneous impulses will lead you in the right direction.

Positive Potentials:

Fortunate surprises and unexpected developments. Sudden windfalls and outrageous good fortune. A liberating release from a chronically tense situation or relationship. A new teaching or understanding that radically alters your

consciousness.

#### Negative Potentials:

Tendencies toward irresponsibility, foolish risk taking, or exaggerating the benefits of a new venture are magnified.

#### Remedies and Suggestions:

Welcome and enjoy the inspiration, optimism, and adventurousness of the moment. Try as many new things as you feel drawn to. However, please temper your excitement with common sense. For instance, you may feel wildly lucky right now, but your luck is erratic. Don't invest or speculate with resources you can't happily part with.

You tend to be undisciplined, lax, or to lack some necessary hardness, firmness, or discretion at this time. Beware of taking the easy road, overlooking important details, responsibilities, or regulations. Diets, budgets, and limits of all kinds may be difficult to maintain.

If you have been sloppy in your work or dealings, you could get your comeuppance now. You may also be offered something that promises gain with little effort, but this is not likely to lead to anything substantive, and may in fact be blatantly fraudulent. Thus it would be unwise to postpone important legal, financial, or business decisions or commitments, and better to pass on get-rich-quick schemes.

Moral, ethical, and/or legal issues arise for you, possibly in connection with your community or a figure you respect.

Positive Potentials:

Learning through moral challenges.

Negative Potentials:

Going overboard, being excessive, expecting too much, indulging in too much of a good thing. Judgment clouded by fantasy, wishes, or cravings for more than you can actually assimilate. Trying to "fix", help, or save someone without empowering them or considering all of the ramifications. Legal or moral indiscretions based on exaggeration or feeling exempt from the rules everyone else lives by.

Remedies and Suggestions:

If you have any of the negative tendencies described above and you are aware of them, this can be a testing point for you. You can actually change a pattern through

choosing a better way. Making clean ethical decisions, including using credit responsibly, can prevent more serious difficulties later.

*Apr 29, 2024 (Apr 25, 2024 to May 4, 2024) Jup Sqr Sat*

You are acutely aware of the tension between what you see is possible and what you want to do versus what you actually have time for and can reasonably accomplish within the framework of your current obligations. You may be tempted to overextend yourself. To attempt to incorporate MORE without eliminating anything leads to congestion, confusion, and imbalance. Paradoxically, you may find that you are happier, richer, and healthier with LESS rather than more. The challenge is about discerning the difference between quality and quantity, and making choices that will solidly benefit you in the long run.

Positive Potentials:

Improvements in your health habits, your daily routine, your work responsibilities and your environment by eliminating lifeless elements. Opportunities for growth, expansion, and furthering your ambitions in the business, financial, or professional arena. Letting go of excessively cautious, fearful, or security-oriented attitudes to permit new growth and well-being.

Negative Potentials:

Tension or frustration over duties and commitments that you perceive to be oppressive may impel you to swing too far in the other direction, leading to irresponsible behavior or unwise investments.

Remedies and Suggestions:

Don't try to do or have it all, at least not all at once. Expand your life in a patient, well-considered manner. Ask yourself where you can upgrade the QUALITY of your life by choosing to eliminate or decrease your involvement in some areas.

Solitude and seclusion may assist you in coming to clarity. Be willing to believe that relief, improvements, and joy are possible for you in areas that have been particularly hard or closed off in the past.

*May 13, 2024 (May 9, 2024 to May 17, 2024) Jup Conj Moon*

No matter what is happening around you at this time you feel wonderful. A sense of well-being, emotional generosity, and positive expectation permeates this time period. There is an expanded sense of nurture and support from, and emotional connection with, others. This can be a positive new beginning in your family life. Reunions and reconciliations are likely because of your openness and willingness to forgive and to let go of petty differences. Home comfort is important to you now and you may invest in improvements, enrichments, or the expansion of your home.

Positive Potentials:

Improved relationships with parents, children, and extended family members. A more open, welcoming, inclusive attitude toward people in general. Trust in the

universe, God, or life to provide for your needs. Not needing to guard or hoard what you have; expecting more to flow to you. Able to handle difficulties with more ease, humor, balance, and perspective. Emotional optimism.

#### Negative Potentials:

Excesses in spending, giving grandiose gifts which you cannot afford (to yourself or others). "Living it up" too much. Excessive indulgence in alcohol or food, especially fat-laden foods. (This will only happen if you already have a problem with overeating, drinking or spending.) Laziness or wanting to avoid hard work.

#### Remedies and Suggestions:

Act on those charitable impulses to reach out to and share with and include those outside your family circle. If you tend to overspend on credit, use a buddy system. Set a limit for yourself, and once you've reached it, hand your credit cards over to your buddy - at least until this cycle has passed.

Enjoy this time and remember that how you are feeling about life/others/yourself now is more accurate and closer to the truth than in times of doubt.

During this positive cycle, self-assertiveness, confidence, initiative, and direct action lead to successful outcomes. You're willing to extend yourself, to attempt more, to go further, to do what you've been dreaming of. You are willing to go it alone if need be, but your positive energy attracts allies, companions, and others supportive of your goals. New enterprises flourish. You are also apt to fare well in any sort of competition, or to be recognized and rewarded for your strong efforts. Your sense of timing is excellent as well.

#### Positive Potentials:

Successful creative activity, positive and successful enterprises, promotions. The ability to make good decisions and to act from confidence and trust in the large order. Harmonizing your personal will and desire with doing good for all.

#### Negative Potentials:

There is very little down side to this.

#### Remedies and Suggestions:

Use this time wisely and fully. Follow through on the impulses and ideas for new projects that come through you now.
